TRADITIONAL CEREMONY

There is a time in life when you stop existing and you start living.
There is a time in life when you are given a new chance and new dreams..
There is a time in life when the old is to be forgotten and the new embraced
There is a time in life ....
And that time is now....

CELEBRATION

I love being married. It's so great to find that one special person you want to annoy for the rest of your life.

WEDDING

Wedding

Wedding is the union of two people in marriage, and is generally held in the presence of family and friends. It is a ceremony or a celebration of the union of a couple.

Celebrating

Celebrating is the act of doing something special to mark the occasion. Many people celebrate birthdays with cake and gifts. Some people celebrate a wedding with a party and a honeymoon.
